Product Description

Luminous Octopus Kabura Jigs Lures Saltwater Fishing Lure

About this item

- 【Tail Kabura Jig】 The Kabura jig is the most prolific fishing catching lure bar none. Enticing colours with UV and glow adding double hook makes an unstoppable force. The fishing hook is made of high-quality carbon steel, which is not easy to break or deform.
- 【Fast Sinking Jigs】 It is a simulated bait. It has a low center of gravity head with a stable and quick fall posture. The deep bodied shape mirrors a variety of the bait fish that top inshore predators target. You can easily present a flashy lure to the strike zone. It can be used for sea fishing (boat fishing) and river fishing.
- 【Silicone Skirt Design】 Snapper kabura jig can stimulate an aggressive bite in most species. The soft and slender silicone skirt can pose in various poses in the sea, attracting the attention of fish, especially snappers.
- 【Catching Target Fishing】 It is the best choice for fish species including snapper, kingfish, kahawai, gurnard, black fish and so on. (PS: When using Kabura jigs, adding pauses or slowing down your jigging technique will allow you to catch more fish.)

Perfect lure for fishing!

The ideal jigs for flipping, jumping or fishing as a swimming jig. You can flip this jig in all kinds of covers and the grass guard is strong enough to stay in place. Very popular with fishermen.

3D stereo simulation fisheye

With 3D molded eyes and Unique fish head design makes the jig more attractive. It reflects light and add the additional visual.

Strong and sharp fishing hook

High carbon steel fishing hooks, super strong and sharp point. The tip of the hook is curved inwards to better hook the fish, which is not easily leaked.

The high quality silicone skirts

Super soft material and bright color skirts to better attract fish. fishing jigs with heavy weed guards to hide the hook, mount and mount jigs in and around the cover.
